Statement of Faith

We believe that all Scripture, both Old and New Testament, is given by divine inspiration of God, and is the inerrant revelation of God to man.

We believe that there is one true living God who has revealed Himself as Father, Son and Holy Spirit.

We believe that all living creatures were created by God, and without God there is no creation.

We believe in the virgin birth of Jesus Christ (Mary being with child of the Holy Spirit) that He is the Son of God and the Son of man.

We believe that Jesus came to save men from the penalty of sin by offering Himself as a sacrifice for the sins of the world. Jesus' blood is the atonement which makes salvation available to those who believe in Him.

We believe that those who believe on the Lord Jesus Christ and are baptized will be saved. Belief is the inward acceptance of Christ and baptism is the outward testimony of belief.

We believe in the sanctifying power of the Holy Spirit who indwells the child of God (the Christian believer) enabling him to live a life of holiness.

We believe that man is subject to bodily death as a result of original sin. The soul and spirit do not die, but immediately after death enter into a conscious state of happiness or misery according to the character he possessed to be accepted or rejected of Jesus Christ as Lord and Savior.

We believe in the resurrection of the saved (unto eternal life) and the lost (without Christ to eternal damnation).

We believe in the imminent return of our Lord and Savior Jesus Christ and the Church being taken away with Him as His glorious bride.

We believe the redemptive work of Christ on the cross provides healing for the human body in answer to believing prayer.

Accreditation

We are accredited through the Transworld Accrediting Commission International (TACI). For over 20 years, TACI has accredited and assisted Biblical theological schools, seminaries, universities, colleges, and institutes throughout the world. They provide supervision for over 100 member institutions, including major denominations and well-known world-wide ministries, in 23 states within the USA and 6 countries.

TACI is a professional, federally recognized, non-profit church educational organization whose philosophy is to demonstrate accountability to the consuming public for education obtained in non-traditional evangelical educational institutions. This accountability is demonstrated by institutions that are accredited by TACI, having documented evidence of compliance with TACI standards of structure and governance, material resources, policies, faculty and curriculum.

Grace & Truth Christian University has been authorized to operate and award degrees by the Florida Department of Education, Commission for Independent Education (CIE), in accordance with Chapter 1005, Section 1005.06(1)(f), Florida Statute.

As a Christian University, we offer academic programs designed to equip students who recognize the call of God on their lives.

Tuition

▼ LOW TUITION PHILOSOPHY

Grace & Truth Christian University has the philosophy that a quality, spiritual education that trains an individual for service to the Lord Jesus Christ should not leave that individual with an oppressive financial debt.

This is another reason that we have not sought the very costly regional accreditation that leads to qualification for government-guaranteed student loans and other government programs. Institutions using such loans generally charge the maximum tuition allowable, leaving the student with a sizeable debt at the completion of their education. For those called to the ministry, it can be very difficult to obey God's calling with this type of debt lingering over their finances. Therefore, Grace & Truth Christian University elected a less-costly, independent accreditation through Transworld Accrediting Commission International (TACI).

Our approach is to provide the most affordable, quality, spiritual education that we can as a ministry to the Lord and to His servants.

▼ STUDENT LOANS

The policy of GTCU is to provide an in-house, interest-free, student loan in the form of a "pay-as-you-go" program rather than requiring the student to pay the full tuition at the beginning of each semester.

An advantage of the programs provided at GTCU is the flexibility of schedule. Students can finish their programs of study or achieve their educational goals over a period of time convenient to them. Their personal preferences, work schedules, and finances determine the speed at which they progress.

Students must pre-pay each course before attending class. If a student is unable to pay, he may not enroll or sit in the class. The student may resume taking classes once tuition is paid. There are no provisions for partial payments.

▼ MATERIAL FEE

This annual fee of \$100 covers the costs of shipping, books, graduation materials, etc. It is the policy of GTCU to collect this fee at the time of registration for the first class of the school year.

▼ ACADEMY PROGRAM ANNUAL TUITION

The cost of a full year of Academy Program at GTCU is \$660, payable in 6 installments of \$110 (\$36.67 per hour). Each installment includes tuition and primary textbook for each course.

TUITION

▼ REFUND POLICY

If a student desires, for any reason, to withdraw from an enrolled class, the following percentages of the tuition will be refunded:

- before the first class 100% refund (upon return of materials)
- after the first class 75% refund
- after the second class 50% refund

Written withdrawal is required prior to any refund.

▼ MATRICULATION FEE

Some students transferring into GTCU may have accumulated enough credit-hours from various approved academic institutions to qualify for a matriculated Christian degree. The courses must be similar in nature to those offered by GTCU. There is a \$300 fee to matriculate a degree from Grace & Truth Christian University.

▼ MINISTRY LIFE EXPERIENCE CREDIT

Ministry Life Experience (MLE) credit recognizes academic study for the preaching and teaching of the Word of God in formal classes sanctioned by the church, such as adult services, children's church, and youth services. To qualify for MLE credit, the majority of the material presented should have resulted from the instructor's own study of the Word of God and not rely solely upon use of pre-printed curriculum. MLE credit will also be awarded for evangelistic speaking engagements, as well as for teaching or preaching over radio and television. Conducting Sunday school classes, home Bible studies, or cell groups does not count toward MLE credit.

Experienced ministers should see the Registrar for an *MLE Application*. There is a \$25 evaluation fee that must accompany the application at the time of submission. A further fee of \$10 per credit-hour (undergraduate level) or \$15 per credit-hour (graduate level) will be assessed for each MLE credit-hour awarded by the University. If no MLE credit is awarded, the students will not incur additional fee. The maximum MLE credits

TUITION

that can be awarded are 30 credit-hours for undergraduate students and 9 credit-hours for graduate students. No MLE credits can be awarded for post-graduate (doctoral) level students.

The MLE Application must be received by the Office of the Registrar within 60 days of the student's application to GTCU in order to be included in the current academic year. The Office of the Registrar will review the application and award credits for all qualifying life experience. The Registrar will send a letter showing the MLE credits for which the student is eligible and the total fee due. Upon remittance of the fee, the MLE credits will be officially awarded and the academic standing will be re-assessed. The student will then receive a report showing his or her upgraded academic standing.

Assessment for an undergraduate student awarded 30 credit-hours:

Description	Credit-Hours	Cost
MLE Evaluation Fee		\$ 25
+ MLE Credit Awarded	30 Hours @ \$10 per Hour	\$ 300
= Totals	30 Hours	\$ 325

Assessment for a graduate student awarded 9 credit-hours:

Description	Credit -Hours	Cost
MLE Evaluation Fee		\$ 25
+ MLE Credit Awarded	9 Hours @ \$15 per Hour	\$ 135
= Totals	9 Hours	\$ 160

Students will be granted credit for work done on an equivalent level and for a similar amount of time in subjects that fit in the student's program of study at Grace & Truth Christian University. Transferable grades must be a "C" or above. Transferred grades will be included in the student's overall grade point average (GPA) at GTCU.

Formal transfer credit evaluation is done by the Office of the Registrar after all official transcripts have been received. Transcripts must be received within 60 days of the student's application to GTCU in order for the transfer credit to be included in that academic year.

To receive a degree from GTCU, students **must** take or transfer in credits covering Program #1 subjects and complete a minimum of 30 credit-hours in one of the University's programs.

▼ MINISTRY LIFE EXPERIENCE CREDIT

Student Policies

▼ STANDARD OF CONDUCT

A student whose conduct is a poor testimony for Christ, and who fails to live in accordance with the scriptural ideals of Grace & Truth Christian University, will be spiritually counseled and will be disciplined to such extent as the President deems advisable. The University reserves the right to refuse admission, to put on disciplinary probation, or to dismiss any student whose conduct and/or attitude, in the judgment of the administration, is not consistent with the Christian spirit and standards which the University seeks to maintain.

By way of example: academic dishonesty, such as giving unauthorized aid on an examination or plagiarism (the intentional or unintentional presentation of another's work as your own) is not acceptable and will not be tolerated. Both are subject to disciplinary actions up to and including immediate dismissal.

▼ PERSONAL HABITS

Students are expected to abstain from the use of any tobacco, alcoholic beverages and illegal drugs, both on and off campus. Students will also maintain behavior above reproach in cross-gender relationships avoiding appearances of evil.

▼ WOMEN' S DRESS CODE

Modesty, femininity and good taste are the guiding principles of women's dress at Grace & Truth Christian University. Women shall wear dresses, skirts, or slacks with sweaters or blouses to classes and to all services. No low cut necklines or dresses with slits above the knee are permitted. No bare feet, flip-flops, shorts, sweats or t-shirts are allowed.

STUDENT POLICIES

▼ MEN' S DRESS CODE

Being well-groomed and clean are the guiding principles of men's dress at Grace & Truth Christian University. Beards are permitted if trimmed and kept neat. Hair should be properly groomed at all times. No bare feet, flip-flops, shorts, sweats or t-shirts are allowed. Slacks and shirts with collars are required.

▼ IDENTIFICATION

I.D. badges may be required to be worn by students during class sessions. I.D. badges help instructors and fellow students get to know each other.

Policies concerning if, how, and when badges are issued; penalties for non-possession of your badge during classes; replacement costs for lost badges, etc. will be provided under separate notice.

▼ MINISTRY PRACTICUM

Students are required to serve in their local church for a minimum of 72 hours during the 9-month school year. Ministry Practicum hours must be valid volunteer work sanctioned by the local church providing training for the student while helping the local church. It does not include student ministry independent of the local church. This service, verified by a church leader, earns the student 3 credit-hours (not credited for academy, audit, or online learning). For fourth-year students, at least 50% of their hours should be in a service directly related to their major field of study. (Christian Education and Church Administration majors must have at least 72 hours of Ministry Practicum in their field. This can be either volunteer work or paid employment.) See Appendix A for a *Ministry Practicum Activity Log*, which students should use throughout the year to properly document their volunteer hours. NOTE: Ministry Practicum credit will only be granted after a student has completed 9 courses at GTCU.

▼ MASTER' S & DOCTORAL STUDENTS

SPECIAL REQUIREMENTS

All Master's and Doctoral students attending undergraduate courses must complete all course requirements, submit a mandatory 6-page research paper, and complete 200-300 additional pages (maximum 500 pages total) of reading to receive graduate or post-graduate credit for the course. If the course requires undergraduate students to submit a 6-page research paper, graduate and post-graduate students must submit a 12-page paper.

All Master's and Doctoral students are required to receive a minimum grade of a "B" in each course of study.

Master's level students are required to serve in their local church and/or community for a minimum of 176 hours during the school year (Christian Counseling students must serve at least 250 hours). This service should be in the area of their specialization, i.e. Bible teaching, Christian Education, Christian Counseling etc. This can be either volunteer work or paid employment.

All Master's and Doctoral level thesis/dissertation topics **must** be approved in advance of any student work. All dissertation work must be of publishable quality. Therefore, a dissertation must be an original and thorough treatment of the subject area chosen. Master's and Doctoral students should request a copy of the official Grace & Truth Christian University Thesis and Dissertation Guidelines from the Registrar. Every thesis and dissertation must follow these guidelines.

STUDENT POLICIES

▼ ATTENDANCE, ABSENTEE & TARDY POLICIES

Regular and punctual attendance is essential to scholastic achievement and success in ministry. Thus, students are expected to be in class at the appointed time.

Students who miss a class are required to purchase and listen to the audio recordings of the missed class prior to taking the exam. These must be ordered within one week of the missed class.

▼ COURSE REQUIREMENTS

In addition to attending class, students are expected to read all textbooks and take all quizzes, tests, and exams; to deliver any scheduled oral presentations; and to turn in any other work required on the assigned date. If a personal emergency prevents this, students are responsible for contacting the instructor and taking any missed quiz, test, or exam within two weeks. If the work is not made up within this two-week period, the student's quiz, test, or exam grade will be reduced by one letter grade for each additional week the work is late.

▼ LATE RESEARCH PAPERS

Research papers are due one week after the last class meeting date if not otherwise specified – even if the student is absent on that date. Late research papers will have an automatic grade reduction of one letter grade for each week the paper is late. A guide for preparing research papers acceptable at GTCU can be found in Appendix B.

▼ FAILING GRADE

If a student fails a course, the student will be expected to take the entire course over again. The student must demonstrate satisfactory work for the entire course before he may be eligible for a passing grade to appear on his transcript.

STUDENT POLICIES

If a Master's or Doctoral level student's grades in a class does not meet the minimum 'B' requirement, that class will not count towards the degree. However, if a student has more than 3 courses on that level not sufficient for the degree, that student will be disqualified from the program.

▼ ACADEMIC PROBATION AND/OR DISMISSAL

Should a student's grades not meet the requirements consistently, the student may be required to switch their academic status to audit.

▼ INDIVIDUAL CLASS TAPING

There will be no individual taping of class sessions.

▼ MISCELLANEOUS FEES

- **Replacement Fee**

The University will charge a \$10 fee for creating a replacement identification badge.

Independent University

The Christian degree programs of Grace & Truth Christian University are designed to equip students to follow the Lord in the work of the ministry (in what many state governments identify as “religious vocations”).

Credits earned from colleges within the State of Florida, which are authorized to operate by the State Board of Independent Colleges and Universities, do not automatically qualify that individual for a Florida teaching certificate or to participate in professional examinations in Florida. The established procedures require the Florida Department of Education to review and recognize the credentials of the individual and the accreditation of the colleges granting the degrees, prior to approving teachers’ certification, and for the appropriate State professional board, under the Department of Professional or Occupational Regulation, to make similar evaluations prior to scheduling examinations.

Any student interested in obtaining a Florida teaching certificate or in practicing a regulated profession in Florida should contact the Department of Professional and Occupational Regulation, Tallahassee, Florida 32301.

Grace & Truth Christian University is exempt from licensure by the State of Florida under §246.085(3)(a), Florida Statute. The transfer of credit to any other academic institution would be at the discretion of the receiving institution.
